WE, THE FISHER YEARBOOK STAFF, PRESENT TO YOU THE STUDENTS, YOUR YEARBOOK. IT IS YOUR YEARBOOK BECAUSE ALL THE ACTIVITIES AND MEMORABLE OCCASIONS RECORDED IN IT ARE INDIRECTLY OF YOUR MAKING. WE SINCERELY HOPE THAT THIS ISSUE OF THE FISHER ANNUAL WILL RECALL TO YOUR MIND THE FONDEST OF MEMORIES.

DEDICATION

MRS. EDITH BUHLER

THIS YEAR'S DEDICATION IS PRESENTED TO A PERSON WHO HAS MADE INNUMERABLE CONTRIBUTIONS TO RAYMOND J. FISHER. THIS PERSON HAS WORKED UNCEASINGLY TO MAKE FISHER WHAT IT IS TODAY. AFTER WORKING IN THE DISTRICT FOR 18 YEARS, SHE HAS SURELY EARNED THIS AWARD. THIS YEAR'S DEDICATION IS PROUDLY PRESENTED TO MRS. EDITH BUHLER.

School Administration

MR. ARTHUR THIMANN, PRINCIPAL

The time has arrived again when we must say goodbye to some of you. On receiving a diploma, you will be offered four years of never-to-be-repeated opportunity at the high school level. It should be clear that these four years will be a telling fraction of your future. Face up to the challenge and make each year count. Take advantage of the diversity of opportunities that are yours if you are willing to put forth some effort.

To all boys and girls who will return to Raymond J. Fisher School, continue working to master the foundation skills. Put your best foot forward and continue to develop a sense of pride and accomplishment in your work.

Education aims toward teaching you how to think rather than what to think, thus enabling you to think for yourself. Preparation for the future is best achieved through your success in the present.

Begin now to be what you will be in the future.

STUDENT COUNCIL

CAMPUS SCENES

Presentation of the plaque for the outdoor stage which was dedicated to Mrs. Betty Garland. Mr. Garland accepts the plaque from student body officers and faculty. Mr. Calvello, pictured on the right, was in charge of building the stage.

A few of the people who helped to build the outdoor stage, which was built from monies raised by the student body and by labor furnished by students and faculty.

A Christmas party given for the faculty by the girl's home economics classes, was an enjoyable experience for all. Mrs. Bachus was in charge of the affair.

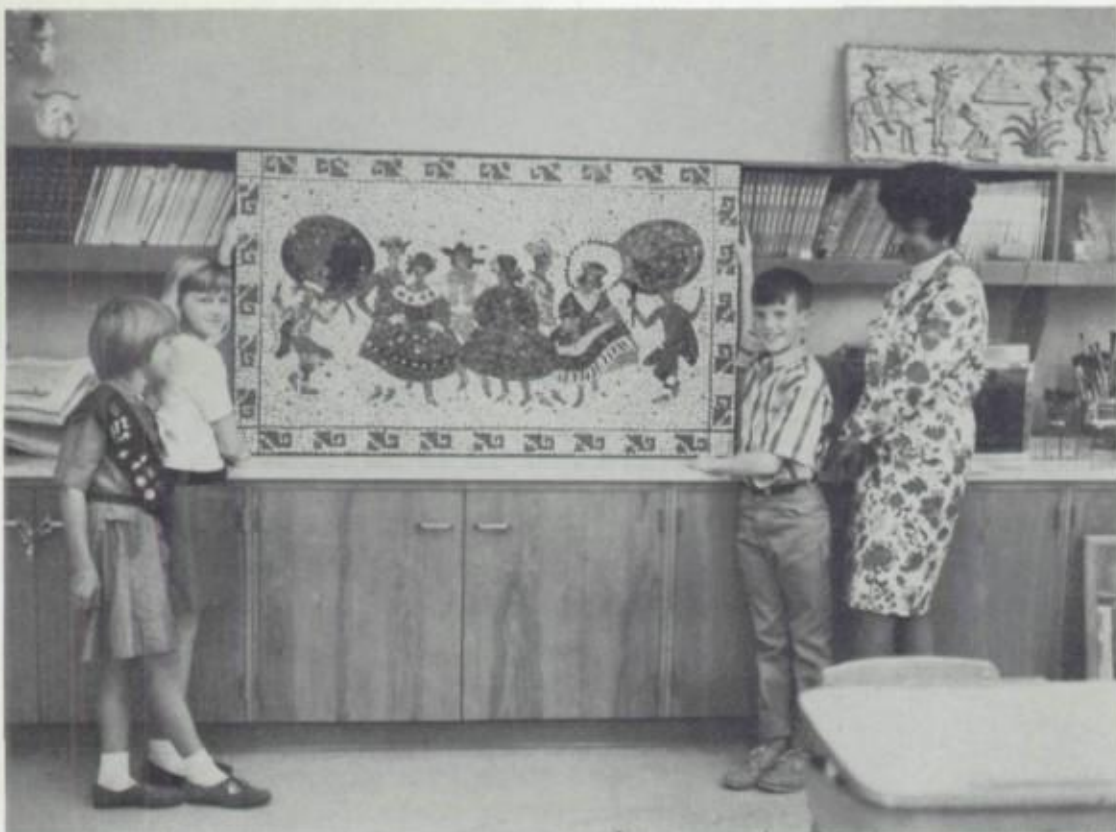

A gift for Mr. Adordor presented to him at his fairwell party.

Mrs. Campbell's homeroom collected the most food for the needy at Christmas time. This was a school project.

Bruce Bickle and Mr. Adorador meet Assemblyman Milias before Eighth Grade assembly where the assemblyman talked about state government and answered questions from the floor.

Rachel Ludlum, Jane Zinke, John Rieger, Mrs. Rynearson and others not shown here prepared a mural to be shown in the office.

Lisa Atkinson and Mark Fleming are the winners of the D. A. R. essay contest.

Winnders of the window painting contest.

"Clean Sweep Contest" poster winners.

Mrs. Adams receives trophies for outstanding girls in P. E. .

Six people from Mrs. Buhler's class won the safety poster contest

PANCAKE BREAKFAST

Who doesn't like my orange juice??

I hope it's dead!

What birdie?

Lookit the guy with the fake camera!

The green one swims faster than the red one.

Those are round??

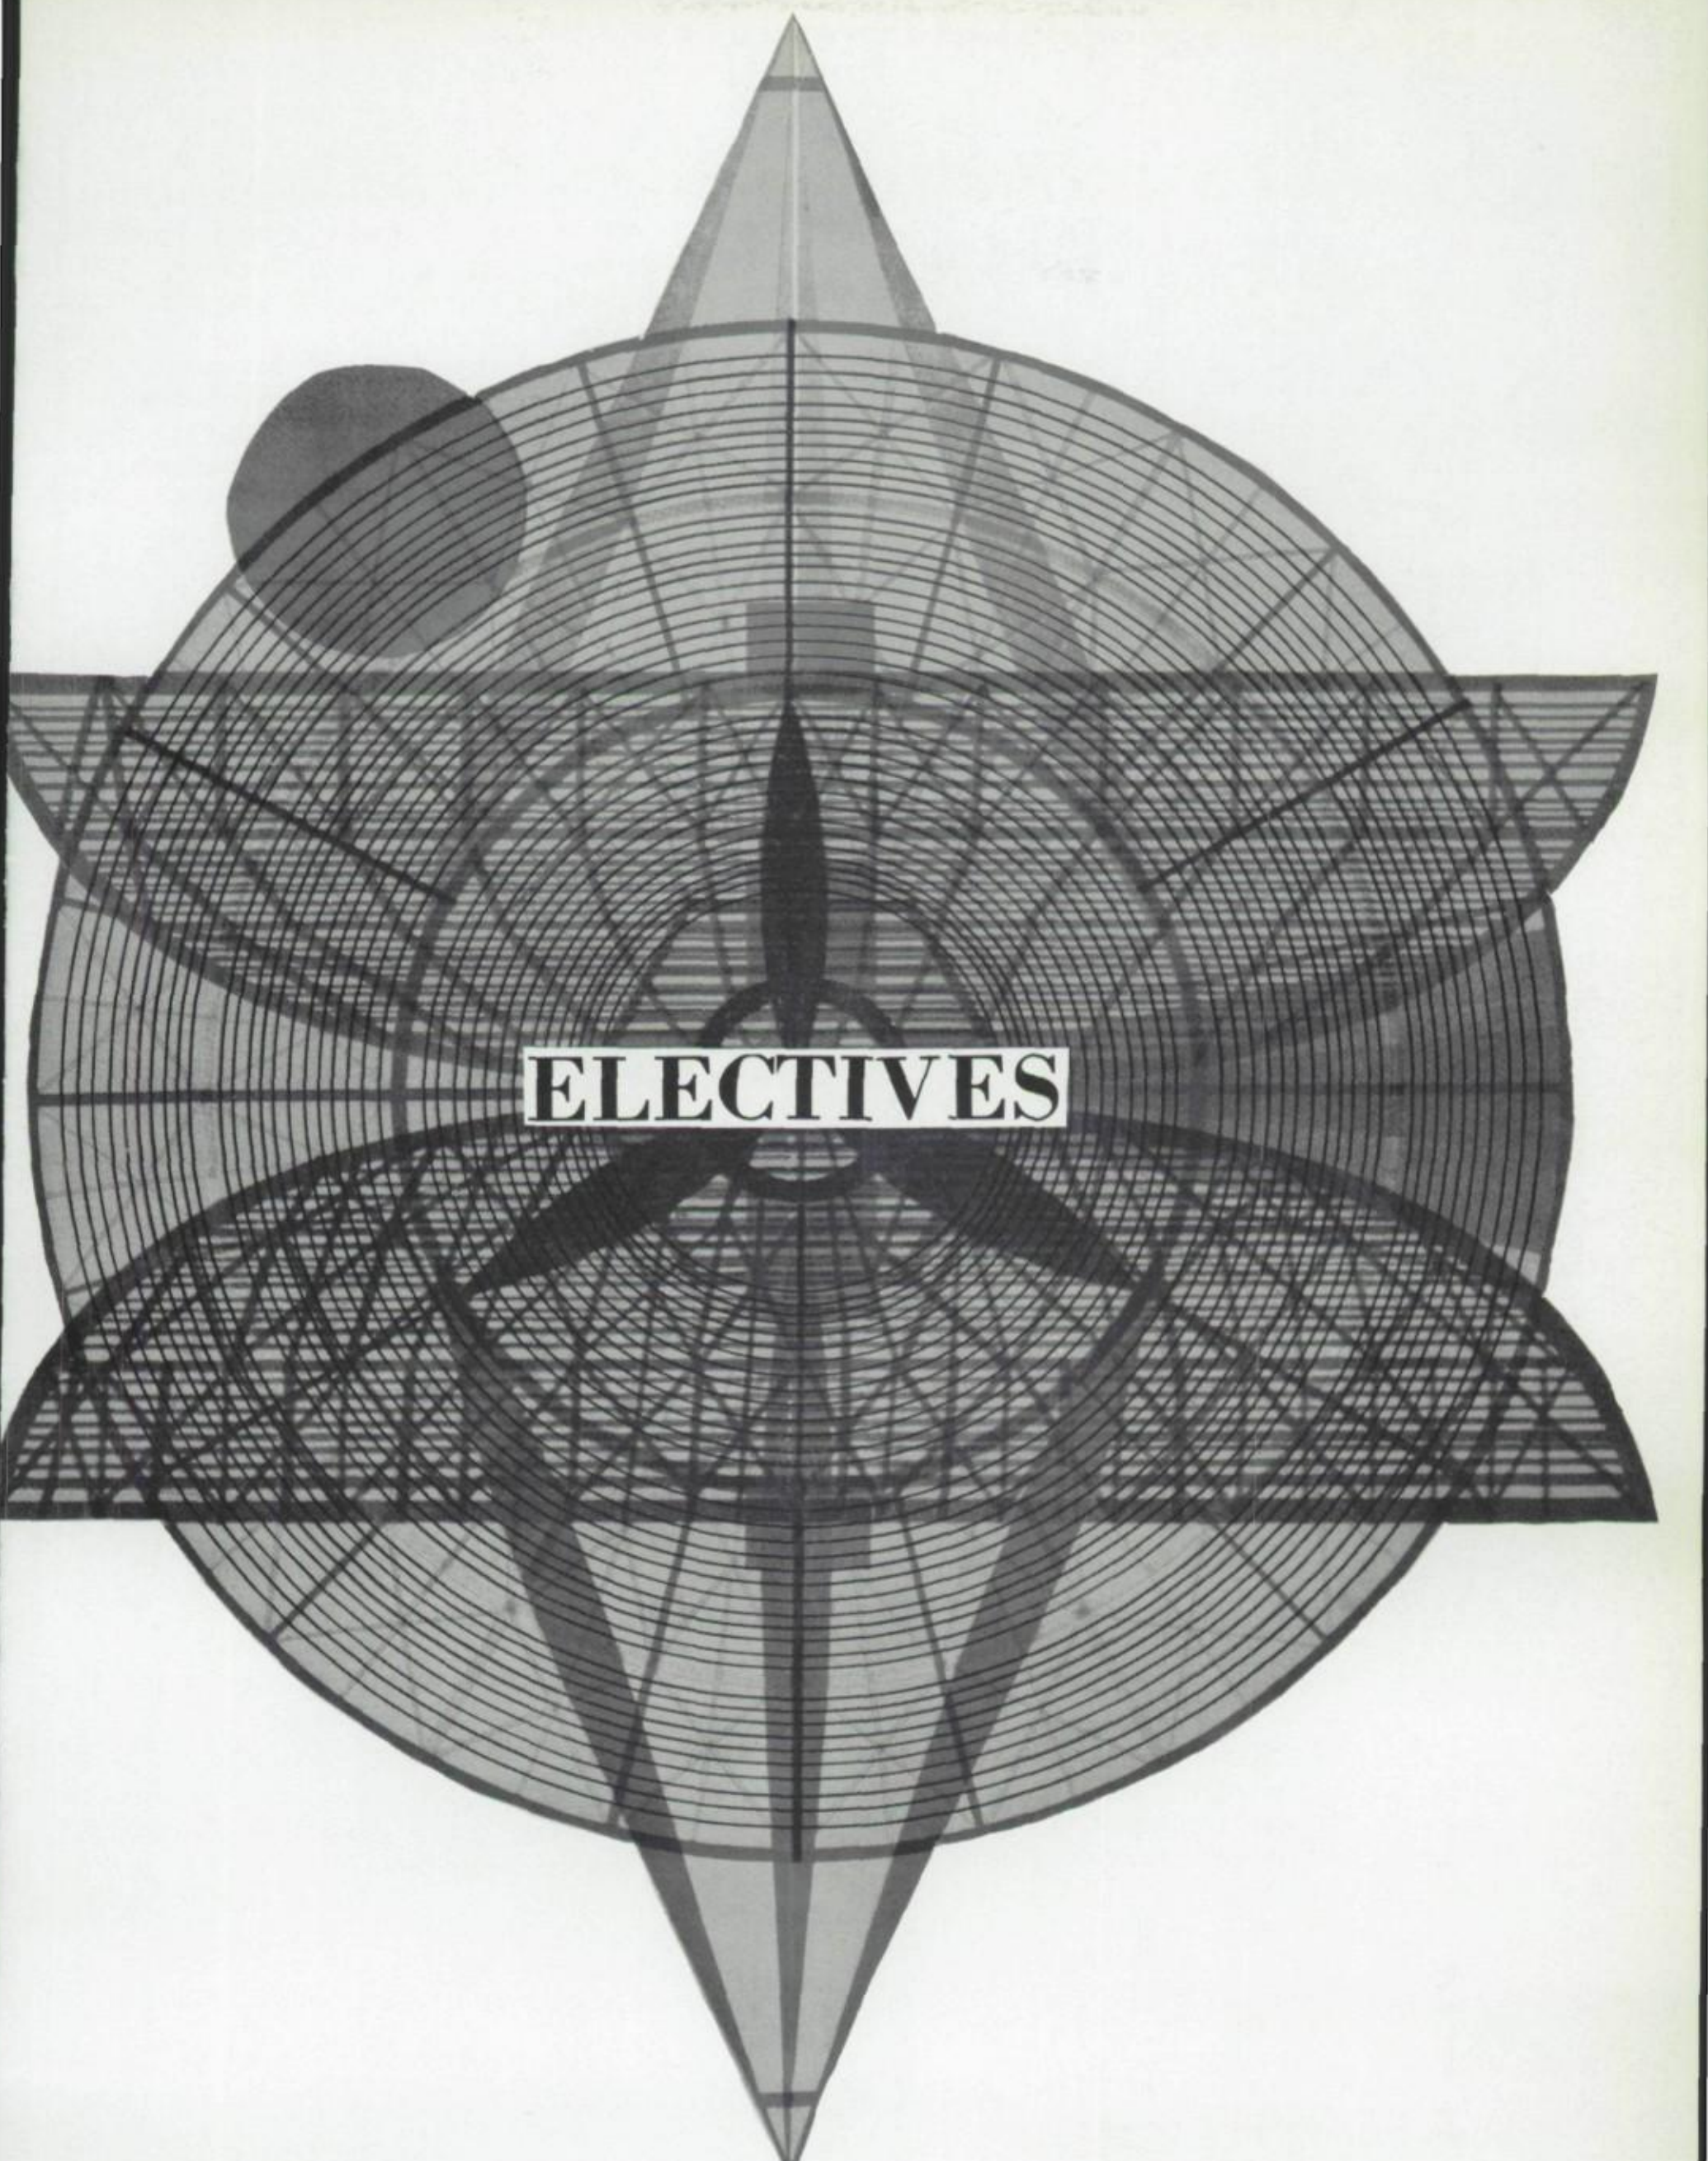

The Great Dishwasher Strikes Again.

The pancake breakfast is an annual event held in the Fisher cafeteria. The students and the faculty participate in raising money for the student body fund.

Tickets are sold to the public, with prizes going to the students selling the most tickets.

Members of the faculty serve as cooks and dishwashers, and the students serve, clear tables, and help in many other ways.

This year the pancake breakfast earned \$760.88 for the student body fund through the fine organization and supervision of Mr. Adorador and Mr. Morse.

ELECTIVES

A CAPELLA CHOIR - MRS. HUTCHINSON

The A Cappella choir is made up of select voices from the eighth grade class. The term "a cappella" refers to the period in the 16th century when music was written for unaccompanied voices, however, today "a cappella" choirs are those choirs that sing the finest in choral literature. The R.J. Fisher A Cappella choir performs in four music programs annually, the "highlight" being the Spring Music Program.

BOY'S HOME EC. - MR. FORTIER

A semester elective designed to make available to eighth grade boys information and practice in the areas of thrifty shopping and cooking; personal maintenance and basic sewing by hand and machine; grooming and etiquette; safety and first-aid.

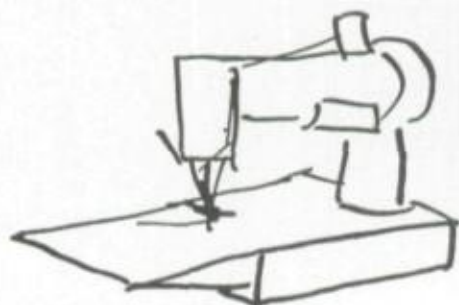

CALIFORNIA HISTORY - MR. SOWERS

In California History we study the history and Geography of California. We concentrate on the exploration and settlement of our state, paying particular attention to the Mission Period and the Goldrush.

CLOTHING - MRS. BOCKUS

In eighth grade clothing we make two sewing projects, study wardrobe planning, and interior design. We model our finished garments in the annual Fisher Fashion Tea.

DRAMA - MR. HOOKER

Develop poise before an audience; posture and breath control activities; pantomime; oral interpretation; monologue; skills; one-act play.

FOODS - MRS. BOCKUS

In our eighth grade Food Course we prepare foods from each of the four basic food groups. We also gain experience in table setting, meal planning and preparation, buying food, preparing convenience foods, and foreign foods.

GERMAN - MRS. OBERZIL

Off to a head start: These eighth graders have already had a year of German.

Das ist gut!

German is also offered to seventh graders.

JOURNALISM - MRS. COLLINS

A semester course designed to give staff members experience with gathering school news, writing stories, cutting stencils, spacing stories, all of which lead to the publication of the school paper, the Trojan Tribune

*Trojan
Tribune*

LIBRARY - MRS. SULLIVAN

Library assistants are chosen from qualified students to assist with general operating procedures necessary in running a library. For seventh graders it is an extra-curricular activity. Eighth graders, however, may take it as an elective and serve as period librarians. Both groups are granted an award, have multiple checkout privileges, get first choice at new books, and eighth graders take an annual trip to Stanford University Library.

LITERATURE - MR. KENSINGER

Literature is a semester course designed to provide students with a wide variety of reading enrichment experiences. Most reading is centered around a National Scholastic Literature unit that contains an anthology, 6 novels studied in groups and 30 novels to be read as each student chooses. Emphasis is placed on class discussion and free exchange of ideas after the initiary class work has been completed.

MECHANICAL DRAWING - MR. CALVELLO

Drafting I and II are offered as an elective to seventh and eighth grade boys and girls. This course covers the fundamentals of mechanical drawing through complete working drawings. Architectural drawing is included in the second semester.

METAL SHOP - MR. CALVELLO

An exploratory course giving experiences in industrial processes, consumer education, and vocational opportunities in the field of metal work.

PHYSICAL SCIENCE - MR. SAMUELSON

Serious.....

1. Research to confirm that the rate of diffusion is related to the average size of the molecules.
2. Measuring the relative molecular rate of gaseous diffusion.

Otherwise.....

1. Lab scene showing how to confuse the enemy.
2. "Be patient, we'll find the antidote."

PUBLIC SPEAKING - MR. HOOKER

Basic skills of oral expression; posture; breath control and diction; preparation and delivery of expository, persuasive and formal speeches, formal debate; practice in both extemporaneous and prepared delivery.

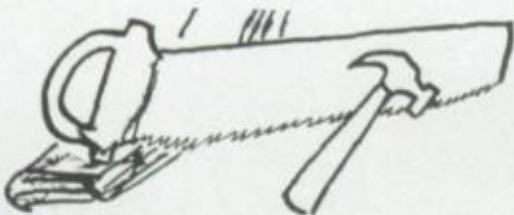

SPANISH II - SR. TALMAN

Eighth grade Spanish is the equivalent of Spanish I at the high school level. The course stresses both conversational and written Spanish. Students are expected to carry on a limited conversation, know the basic grammar and be able to give oral presentations. Prerequisite for the course is a grade of not less than a "B" in seventh grade Spanish and the recommendation of the instructor.

ADVANCED WOODSHOP - MR. SULLIVAN

Advanced woodshop presents the opportunity to create something new. Shop II and III students may select from a variety of hard woods and the use of power tools makes the job a little easier.

ACKNOWLEDGEMENTS

As the school year and the yearbook end, we, the yearbook staff, would like to thank the many people that helped us present this book to you.

First, the teachers, for their patience; the sponsors, whose financial aid helped make this book a reality; Jana Heer who made the design for the cover; Mr. Bois, Mr. Kerner, and Mr. Pennimen for their fine photography; and lastly we would like to thank Mr. Barr, the publisher-representative, whose understanding and advice helped us along the way.
